

## JENNIFER MONTEITH

Founder of The Exhibitor Support Centre  
 "Your Office Away from the Office."

Determined to establish The Exhibitor Support Centre in every Trade Show & Convention venue, Jennifer persevered by contacting every Show Manager she ever seen, heard of, worked for, and convinced them how important an "Office away from the office" would be on their show floor. The first chapter in the history of The Exhibitor Support Centre had begun "Construct Canada", Canada's premier construction business show.

JM Exhibitor Support Centre offers a wide range of services, including **Pre-Show** and **On-Site Photocopying**.

These services are designed to help **Exhibitors** maximize the benefits of show participation, by providing all the administrative services they need to carry on with "*Business As Usual*" giving **Show Management**, the flexibility to carry on with "Show Business".

JM Exhibitor Support Centre has serviced Toronto's Trade Show & Convention industry since the dawn of the 90's. It now operates the **Enercare's Business Centre**; located adjacent to Exhibit Hall D & The Living Wall.
